

LGBTQI+ Helpline

Introducing Converge International's Specialist Phone Helplines.

Converge International understands that people face many challenges in their lives and that, sometimes, these require specialised support. We believe the counsellors providing this support should be specialists with specific social or cultural experience, knowledge and understanding.

SPECIALIST PHONE HELPLINES

Your organisation offers access to one session of specialist support (available during business hours only), in addition to your existing Employee Assistance Program services.

LGBTQI+ HELPLINE

Speak with a specialist counsellor and access support across issues specific to Lesbian, Gay, Bisexual, Transgender, Queer or Questioning, Intersex people. The plus (+) refers to pansexual, asexual and other gender diverse identities. You can also discuss referral to specialised services and access to general information and resources.

HOW DO THESE SERVICES SUPPORT YOU?

When you call one of our specialist helpline services, you can access additional support through referrals to external services, specialised information and resources.

Most importantly, you get to speak with an independent, experienced, trained and supportive counsellor; someone who is there for you during a challenging time.
