

Care Made Real

Manager Assist

The Converge International Employee Assistance Program (EAP) can support you to lead in the changing world of work and to manage and support your team to maximise their performance, achievement and mental fitness.

Manager Assist is provided independently to South Eastern Sydney Local Health District.

Manager Assist is a confidential coaching and advisory service for leaders of people, including team leaders, managers and supervisors. We offer expert support and advice for managing people and leadership training on self-development and improved personal leadership skills.

We can work with you to evaluate, plan, implement and achieve your personal, professional and organisational goals across:

- developing self awareness around leadership, personality and working style
- managing underperforming staff and other difficult staffing issues
- addressing workplace conflict and building successful teams
- developing and implementing strategies to support your staff and their mental health
- change management support
- improving workplace and interpersonal relationships.

Your **Manager Assist** is:
